INSPIRING
SENSATIONS!

ROSE CATALOG

Flores Verdes is a pioneer company in the floriculture industry, our experience goes back to 2001, when three visionary men decided to create this amazing project, putting us as one of the leaders in the industry and since then we have been exporting the best roses all over the world.

We are located in Cayambe area about one hour from Quito, our environmental and social responsibility is the spine of our production process dedicated to supply our customers the highest quality roses and exceptional service with an altitude of 2844m above sea level we count with the best weather conditions to produce the best roses for all markets around the world.

We directly employ 250 people on 20 hectares of production.

Our certifications BASC and Flower for Kids guarantee our commitment with the community and the environment making our farm ecofriendly and community caring.

Our vision and tenacity pushes us to constantly look for innovation and new trends in the market, making us your first choice when you look for roses.
